Dear Sir:

I am an Assistant Professor of Military Science at Florida Southern College. Next semester I am teaching a course on "The Concept of Force and National Security."

Can you please provide me the following items:

1. Your excellent atlas of the Mid East conflict.
2. One of each UNCLASSIFIED country study map set (the 8" X 10" maps which show country outline, population centers, ethnographic studies, natural resources, and transportation).
3. A catalogue or list of UNCLASSIFIED material which would be beneficial to a class interested in national power elements, foreign affairs, international relations, and national commitments.
4. Information on how to receive the UNCLASSIFIED copies of the Foreign Broadcast Information Service (FBIS).
5. Information on guest speaker programs which the agency has available for organizations such as ours.

By the way, Florida Southern has excellent language, history, mathematics, biological and physical science, and political science departments. If you desire to recruit on campus you should contact Mrs. Polly Moody, Director of Placement, at 813-683-5521.

Thank you in advance for your assistance.

Sincerely,

SEYMOUR SAMUELS, III
